Ankle and Foot Centers of America and its affiliates, business partners, agents, independent contractors and any “covered entity” or “business associate”(as those terms are defined in the HIPAA Privacy Rule) with which your information may be shared under HIPAA (collectively, “AFCOA”) may communicate with you by e-mail, text message, and/or other forms of unencrypted electronic communication (together, “Electronic Messaging”) to the telephone number(s), email address(es) or other locations reflected on your account or as otherwise provided below. This form provides information about AFCOA’s use, risks, and conditions of Electronic Messaging. It also will be used to document your consent for AFCOA’s communication with you by Electronic Messaging.

How we will use Electronic Messaging: AFCOA may use Electronic Messaging to communicate with you regarding a wide range of healthcare related issues, including: • reminders of appointments or actions for you to take before an appointment, follow-ups from appointments, and notices about preventive services, treatment options, coordination of your care and other available health services; • how to participate in patient satisfaction surveys or how to use a secure patient portal; and • information regarding insurance, billing, eligibility for programs/benefits, and account balances. AFCOA may use automatic dialers or pre-recorded voice messages when it communicates with you through Electronic Messaging. All Electronic Messaging may be made a part of your medical record.

Risk of using Electronic Messaging: Like many things, Electronic Messaging has certain risks that you should consider, including: • Electronic Messaging can be circulated, forwarded, sent to unintended recipients, and stored electronically and/or on paper. • Senders can easily misaddress Electronic Messaging and send the information to an unintended recipient. • Backup copies of Electronic Messaging may exist even after deletion. • Electronic Messaging may not be secure and can possibly be intercepted, altered, forwarded or used without authorization or detection. • Electronic Messaging service providers may charge for calls or messages received. • Employers and online providers have a right to inspect Electronic Messaging sent through their company systems. • Electronic Messaging can be used as evidence in court.

Conditions for the use of Electronic Messaging: AFCOA cannot guarantee, but will use reasonable means to maintain the security and confidentiality of the messages we send. By signing where indicated below, you acknowledge your consent to the use of Electronic Messaging on the following conditions: • **IN A MEDICAL EMERGENCY, DO NOT USE ELECTRONIC MESSAGING, CALL 911.** Urgent messages or needs should be relayed to us by using regular telephone communication. Non-urgent messages or needs should be relayed to us by using regular telephone communication or our secure patient portal, • Electronic Messaging may be filed into your medical record. • AFCOA is not liable for breaches of confidentiality caused by you or any third party. • You are solely responsible for any charges incurred under your agreement with your Electronic Messaging service provider (for example, on a per minute, per message, per unit-of-data-received basis or otherwise).

Expiration and Withdrawal of Consent: Unless you earlier withdraw your consent, this consent will expire upon the end of your treatment relationship with AFCOA. You may choose to stop participating in Electronic Messaging at any time by clicking the OPT OUT option on any communication you receive. You further understand that withdrawing this consent by OPT OUT will **not** cause you to lose any benefits or rights to which you are otherwise entitled, including continued treatment, payment or enrollment or eligibility for benefits. To withdraw consent and stop participating in Electronic Messaging, please choose the OPT OUT option on any message you receive.

Patient Acknowledgement and Agreement: I have read and fully understand this consent form. I understand the risks associated with the use of Electronic Messaging between AFCOA and me, and I consent to the conditions and instructions outlined, as well as any other instructions that AFCOA may impose to communicate with me by Electronic Messaging. I understand that AFCOA will send Electronic Messaging to those telephone number(s) and email address(es) in my account.

Release. In consideration of AFCOA’s services and my request to receive Electronic Messaging as described herein, I hereby release AFCOA from any and all claims, causes of action, lawsuits, injuries, damages, losses, liabilities or other harms resulting from or relating to the calls or messages, including but not limited to any claims, causes of action, or lawsuits based on any asserted violations of the law (including without limitation the Telephone Consumer Protection Act, the Truth in Caller ID Act, the CAN-SPAM Act, the Fair Debt Collection Practices Act, the Fair Credit Reporting Act, the Health Insurance Portability and Accountability Act, any similar state and local acts or statutes, and any federal or state tort or consumer protection laws).

Financial Policy

Thank you for choosing **Ankle & Foot Centers of America** as your ankle and foot care provider. We are committed to building a successful physician-patient relationship with you and your family. Your clear understanding of our financial policy is important to our professional relationship. We ask that all responsible parties read and sign our financial policy as well as complete the patient information forms prior to your scheduled visit. Copayments, coinsurance, and all applicable deductibles are due at the time services are rendered. We accept cash, check, ACH check, MasterCard, Visa, Discover, and American Express. No post-dated checks will be accepted.

If you have medical insurance, our practice will submit claims directly to your insurance company. Your insurance is a contract between you, your employer, and the insurance company. Our practice is not a party to that contract. Not all services are a covered benefit in all contracts, and it is your responsibility to be aware of what benefits your insurance entitles you to. We will assist you to receive your maximum allowable benefits. We emphasize that as medical care providers, our relationship is with you, not your insurance company. While filing of insurance claims is a courtesy we extend to our patients, all charges are your responsibility. As the guarantor and/or patient, you agree to pay any balance that becomes patient responsibility upon receipt of a statement.

Certain health insurances (HMO, POS, etc.) require that you obtain a referral or prior authorization from your Primary Care Provider (PCP) before visiting a specialist. If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain the referral and/or preauthorization may result in a lower or no payment from the insurance company, and the balance will be your responsibility. Alternative payment arrangements or rescheduling of your appointment may be necessary if not obtained.

There are certain elective surgical and non/surgical procedures that we require pre-payment. You will be informed in advance if your procedure falls into this category. Payment is due prior to the services being performed.

The charge for a returned check is \$35.00 payable by cash or money order. This fee will be assessed in addition to the insufficient funds amount. Any unpaid returned check fee and balance will be subject to collection placement.

Completion of forms (e.g. Disability or Family Medical Leave) and Copies of Medical Records are not billable or payable by insurance carriers. You will be responsible for \$35.00 for completion of these documents, due prior to record preparation. Please allow 7-10 days for completion. An additional fee of \$10.00 can be paid for a Rush Fee

All unpaid balances over 90 days may be turned over for a collection process. You understand and agree that if you fail to make payments for which you are responsible, your account can be referred to a collection agency. In the event your account is turned over to our collection agency, you agree to pay all costs of collection including reasonable interest, reasonable attorney's fees (if suit is filed) and reasonable collection agency fees up to 35%.

Our practice offers Magnetic Resonance Imaging (MRI), Physical Therapy, Pathology, and Ambulatory Surgical Centers medical services. As with other professional services, we will bill your insurance for these services; however, should your insurance not cover the charges, you may ultimately be held financially responsible.

Ankle & Foot Centers of America and its affiliates provide patients the option of keeping your credit or debit card on file as a convenient method of payment for the portion of services that your insurance doesn't cover, but for which you are liable. Your credit card information is stored using an encrypted secured tokenization solution and payments to your card are processed **only** after the claim has been filed and processed by your insurer, and the insurance portion of the claim has paid and posted to the account. If authorized, this Practice may offer the option of paying my share of costs via an automated payment plan I agree to provide the Practice and/or its designated payment agent with my debit/credit card.

When you schedule an appointment, we set aside enough time to provide you with the highest quality care. If you should need to cancel or reschedule an appointment, please contact our office as soon as possible, and no later than 24 hours prior to your scheduled appointment. Any established patient, who fails to show for an appointment and has not contacted our office with at least 24 hours' notice is considered a No Show and may **potentially** be charged a \$50.00 fee. Patients who cancel their appointments with less than a 24 hours notification may be billed for a \$50.00 cancellation fee.

I agree and understand all of the above statements regarding financial arrangements and insurance. I authorize Ankle & Foot Centers of America and its Agents to submit my medical claims and remit insurance payment of medical benefits directly to the Practice.
