Electronic Medical Record Update!

We are excited to announce that we have updated our Electronic Medical Record (EMR) System to Modernizing Medicine (ModMed)!

The ModMed EMR:

Improves Efficiency and Data Security

Eases Access to Your Provider Team and Records

Provides a Convenient Patient Portal

Offers Text Messaging via Klara

If you have an upcoming appointment, watch for a text message during the 24 hours ahead of your appointment, which will have a link to check in!

You will be prompted to sign a series of medical consents and upload images of your insurance and photo ID.

This is important to complete to prevent delays when you arrive for your appointment! Please note that bypassing prompts by selecting 'next' does not result in a successful registration.

If you have questions, give us a call!

April Focus: Why Foot Health Deserves Attention

April is Foot Health Awareness Month, a time dedicated to recognizing the essential role our feet play in overall health and mobility. Despite carrying us through thousands of steps each day, feet are often overlooked until pain or dysfunction appears.

The Dos and Don'ts of Sports Injuries: Protecting Your Feet and Ankles

As winter fades and spring activity ramps up, many people return to outdoor runs, field sports, court games, and weekend recreation. With longer days and better weather comes a surge in movement, and unfortunately, a rise in foot and ankle injuries.

YOUR APRIL CALENDAR HIGHLIGHTS

April 1-9 – Passover: For seven to eight days, all leavened products—bread, pasta, cookies, and even beer—are strictly forbidden, creating a "leaven-free" zone in homes.

April 1 - April Fool's Day: In the UK and Canada, it is traditional for pranks to stop at noon.

April 2 – World Autism Awareness Day: Autism affects approximately 1 in 36 children in the U.S., with boys five times more likely to be diagnosed than girls.

April 5 – Easter Sunday: In 2017, the world's largest chocolate bunny was created in Brazil, weighing over 9,359 pounds.

April 11 – National Pet Day: 26% of pet parents throw birthday parties for their pets.

April 22 – Earth Day: Organizers chose this date in 1970 because it fell between college spring breaks and final exams, making it easier for students to participate.

April 26 – Arbor Day: A mature tree can provide the cooling effect of 10 room-sized air conditioners.
